

## **8<sup>th</sup> grade Advanced US History and PreAP US History**

All students in both of these courses will be completing a National History Day project during the school year.

To help prepare for this project, we ask that students review the National History Day website at <https://www.nhd.org/>

This website includes online descriptions/ pictures with past projects/ categories that will help familiarize you and your student with the project expectations.

**\*\*\*PLEASE NOTE: The theme of the project changes from year to year and the 2019-2020 theme has not yet been released.**
